

Lions Meetings - Guest Speakers

Revised: September 2019

Procedure:

Contact the guest speakers two or three weeks before that night.

Give them the location and ask them to be there around 6:30 so they can meet and chat with the members.

Tell them that after dinner the club would like an update on their organization and then after the cheque presentation they are free to leave as we then start our Regular Lions meeting.

Also ask them if they will need a screen and a projector and if they will be bringing a laptop to make their presentation.
